

**Job Title:** Quantity Surveyor

**Job Type:** Permanent

**Location:** Scotland

**Salary:** Negotiable

**Company:**

Founded in 1967, and operating in Ireland, United Kingdom, Poland, South Pacific and the Middle East, Roadbridge is a leader in Civil Engineering. Roadbridge has the experience, capability and a proven track record in delivering major projects across a range of sectors on time and on budget. Our core ethos is not just to meet client expectations, but to exceed them, making us the partner clients want to work with.

**Job description**

We are looking to appoint an experienced Quantity Surveyor to be based in Scotland. The successful candidate will be enthusiastic, confident and motivated with good communication skills and able to work independently as well as part of a team. It is vital that they are able to demonstrate attention to detail and be able to work to deadlines, whilst liaising with site management and client's representatives as appropriate. As Quantity Surveyor you will report to both the project/contracts manager as well as the regional commercial manager.

**Key Responsibilities / Requirements:**

- Third level qualification in Construction/Engineering/Economics (or similar).
- 6 + year's relevant experience with a main Civil Contractor
- Experience of pricing and preparing subcontracts, budgets and cost plans.
- Experience of Sage systems
- Proficiency in Microsoft Project/Primavera would be an advantage.
- Carry out the estimating, cost control and tracking of the installation works on site.
- Proven ability to negotiate with subcontractors and suppliers
- Track and manage contracts and associated budgets.
- Prepare variations, claims and generating reports.
- Preparing and agreeing final accounts.
- Generate timely reports.
- Experience of Transport Scotland contracts would be beneficial.
